Elementary School **S\$460.00 per week (Half Day from 9:00am to 12:00pm)**

The SPP Summer Camp program is primarily designed for students who are interested in improving their English proficiency level. The morning program is also highly recommended for students who are starting their academic year with us in August 2020 and wish to get a head-start in English language learning. Current SPP students would also benefit from the Summer Camp to ensure that their English proficiency continues to improve during the long break. The SPP Summer Camp is also an excellent way to meet and make new friends.

The courses are taught by qualified and experienced SPP teachers at the Overseas Family School, and focuses on developing the students' abilities in speaking, listening, reading and writing.

SPP Summer Camp students are encouraged to join the Camp Camplify for the afternoon sessions to enhance their learning by using English while participating in the activities. (Daily lunch will be provided for students who choose this option)
